### Additional instructions:

--

#### **To confirm Customs status, please use one of the following available options:**

- On-line shipment tracker application is available 24/7 at [www.livingstontracker.com](http://www.livingstontracker.com)
- Sign up for automated carrier or importer e-mail notifications with your Livingston service team.
- Livingston's driver contact center 1-866-548-7277; available 24/7

#### **To minimize any potential delay or penalty, please ensure:**

1. Each shipment is separated by a cover sheet and faxed separately or e-mailed as separated attachments.
2. All required information or documentation is attached and available to Livingston per above, including a copy of your eManifest or AMS filing.
3. Unique Shipment Control Numbers (SCAC & BOL) are noted on each Customs invoice as required
4. Shipments arrive at the U.S. port of arrival indicated above and are not diverted without advance notice
5. Appropriate broker filer code (300 or M76) is included in the ACE e-manifest transmission
6. Customs' acceptance of shipment data has been confirmed prior to arrival at the U.S. port of entry
7. E-mailed documents must be sent as one attachment per shipment
8. Acceptable file formats for e-mail include .bmp; .doc; .docx; .jpeg; .pdf; .png; .tif; .tiff; .xls; and .xlsx
